

Pet Loss Support Group

Free Grief Support
Last Tuesday of each month
6:00 pm – 7:30 pm

hosted by **Paws, Whiskers & Wags, Your Pet Crematory**

The heart knows no difference between losing an animal companion and losing a human loved one. There are many resources for people suffering from pet loss bereavement. The more you share your grief with others the stronger you will become. Take charge of your grief, and your grief work will help you grow in ways you never thought possible.

Paws, Whiskers and Wags offers a free support group designed for adult clients led by a professional social worker: Jill Shipp, MSW, LCSW is a licensed clinical social worker who has worked in the areas of Grief and Loss for 20 years. She has worked most recently with KinderMourn, counseling bereaved parents and children, and currently has a private practice in the South End area.

Jill received her BA in Psychology from Meredith College in 1987 and her Master's degree in Social Work from the University of North Carolina at Chapel Hill in 1994. A native of North Carolina, Jill has lived in Charlotte for 25 years and is familiar with the various services available to families and pet owners in the area. She has a husband, 3 children and 1 very large chocolate lab that keep her busy when she is not working.
